PRO BONO PROJECTS

AMSTER, ROTHSTEIN & EBENSTEIN LLP
Craig J. Arnold, Kenneth P. George, Alan Miller, Richard Zemsky,
Yin Huang

Copyright Law—Goal: Establish guidelines for copyright questions and issues in the digital context (e.g., unauthorized use of trademarked or copyright-protected content; span-act compliance).

BINGHAM MCCUTCHEN LLP
Richard Leone, William Meltzer, Thurgood Marshall, Jr., Kate Rooney,
Joseph R. Finav

Compliance Law—Goal: Review, revise and prepare University Policies focused on issues and requirements imposed by HIPPA, FERPA, PCI, HEOA and the like.

Housing Law—Goal: Review, analyze and advise regarding the applicability of New York City's Fire Code and Building Code to the University's various forms of housing accommodations ("student apartments," "high-rise buildings," "dormitories," graduate, undergraduate, employee and alumni, etc.).

BLANK ROME LLP
Martin Luskin, Emanuel J. Adler, Ilya Feldsherov

Contract/Procurement Law—Goal: Develop checklists or questionnaires to enable the University to comply with conflict of interest and other governance standards, both those imposed by New York State and New York City upon the University (and its trustees, officers, employees, vendors and suppliers) as a recipient of government grants and contracts, and those to achieve general procurement best practices.

COHEN, TAUBER, SPIEVACK & WAGNER P.C.
Stephen Wagner, Adam Stein

Employment Law—Goal: Create boilerplate employee agreements and/or offer letters for teachers, principals, and administrators to be used in connection with Arzichi school placement of alumni in Jewish day schools and High Schools.
